CHANCELLOR

Dear Students,

You are our much-loved treasure and knights of tomorrow. Mankind awaits your arrival to engage your talents in the service of the Society. To prepare you for this purpose along with the ethics needed for the life and profession, Sri Balaji Vidyapeeth (SBV) provides a visionary, globally competent education system along with an optimal learning environment.

SBV is an ecosystem of excellence where skills and talents of the students are nurtured for the larger benefit of the society. SBV's prime goal is to create an enlightened and healthy society supporting the progress of humanity through the portals of higher healthcare education, research and outreach services.

Come, join our world of higher learning experience. Let us together create a better, healthy, purposeful, integrated global community of shared benefits, responsibilities and values for the benefit of society.

Stay blessed!

M. K. Rajagopalan CHANCELLOR

VICE CHANCELLOR

Welcome to SBV & your future

The millennium has ushered in fresh challenges which would cast a profound impact on the role of private universities. Professional competence will be highly sought after, globally. The challenge shared by any university is to bestow the requisite knowledge and skills on the students and cultivate proper etiquette and attitude to produce top-notch professionals who will be valued both for their professional competence and inherent ability to solve many a problem.

Sri Balaji Vidyapeeth (SBV), Deemed to be University and accredited by NAAC with 'A++' Grade with NIRF Ranking at 70, is dedicated to its chosen mission in order Dentistry, Nursing, Allied Health Sciences, Physiotherapy, Biological Sciences and Pharmacy, who would contribute and strive ceaselessly towards caring for the comfort of the sick and weary. The constituent units of SBV are already noted for the excellence in various avenues that include teaching, research, and service to the community at large who are marginalized and underserved. SBV is endowed with committed, dedicated, and outstanding faculty denoted by a healthy mix of the young & veterans fortified further by a robust leadership. Our challenge for the future is to capitalize on this good start and establish ourselves firmly among the comity of leading higher education institution. Taking cognizance of this, the management and the academic staff do realize this and we promise to do our best so as to train and educate the students. You, the students of SBV who have gained entry into the sacred portals of SBV this year, realize your ambition and must study well with dedication, diligence commitment and emerge as competent professionals who would make their parents and their educators proud.

We wish you all the very best and hope that you would soon emerge as outstanding healthcare professionals in diverse fields.

With loads of good wishes,

Prof. Nihar Ranjan Biswas,

MBBS., MD (Pharmacology), DM (Clinical Pharmacology)

VICE CHANCELLOR

ABOUT SRI BALAJI VIDYAPEETH

Modern, Dynamic & Marching Ahead

Sri Balaji Vidyapeeth (SBV) is a dynamic Deemed to be University, proud of its modernity, yet rich in educational heritage. SBV aims to excel in academic and clinical medicine; research and training; nurturing passion and enthusiasm into achievement and converting theoretical knowledge into evidence based practice and research.

Excellence

- SBV was granted 'Deemed to be University' status by the Ministry of Human Resource Development, GOI, under section 3 of the UGC Act of 1956 in 2008, in recognition of its outstanding quality of providing education, potential for excellence and obtained NAAC "A++" Grade in 2021, with CGPA of 3.58 on 4 point scale.
- SBV has been granted 12 B status by UGC, under section 12 of the UGC Act, 1956. Further SBV has been graded as Category-I, Deemed to be University as per the UGC (Categorization of Universities (only) for grant of Graded Autonomy) Regulation 2018.
- SBV has been placed one among the top 100 Universities in India since 7 consecutive years 2016, 2017, 2018, 2019, 2020, 2021 and 2022 by the National Institutional Ranking Framework (NIRF) and was in the top 25 among the Medical colleges in 2018 through its flagship institute, namely Mahatma Gandhi Medical College & Research Institute.
- SBV enjoys autonomy to develop and implement innovative curriculum and academic programs and to design education process that is responsive and tailored to the evolving needs and changes of health sciences, as per National Education Policy (NEP) 2020.

Global Acceptance

- The Deemed University's constituent teaching units and programmes are all duly accredited and recognised by the respective statutory bodies such as the National Medical Commission, Dental Council of India, the Indian Nursing Council and the Pharmacy Council of India. Graduates of SBV are eligible to register with any state council or pursue further education in any part of India.
- SBV ensures that its programs and courses are recognised internationally, by registering under appropriate provisions of various statutory and registration authorities around the world to enable its graduates the right to qualify for practice in any nation, including appearing for USMLE, (USA) PLAB, MRCP/MRCS/etc (UK), MCCQE (Canada), AMC (Australia), CGFNS/NCLEX (Nursing, USA) etc.

ABOUT SRI BALAJI VIDYAPEETH

Research

- SBV is a research oriented university with 12 B status and the establishment of state-of-the-art, MGM Advanced Research Institute pledges considerable resources and investment for Biomedical Research. SBV has got BSL II Lab recognized by NABL, DSIR and ICMR of both of its constituent Medical Colleges.
- SBV's research output has been consistently high in quality and impact, as evident from its rapidly growing research publication record that inspires our students, a fact attested by the region-wise lead position in number of ICMR sponsored STS research projects (Short Term Studentship) undertaken and ably accomplished by our undergraduate medical and dental students.
- Mahatma Gandhi Medical College & Research Institute, one of the constituent teaching units of SBV was recognized as one of the Clinical Trial Centres for Phase III Clinical trial of COVAXIN, co-sponsored by ICMR.

Alternative Medicine

SBV caters to the needs of the patients in the form of alternate medicine. The presence of School of Yoga Therapy and School of Music Therapy under the agesis of Institute of the Salutogenesis and Complementary Medicine is an innovative move to step forward from Illness to Wellness and treating the patients through Complementary Medicine. The MoU signed by SBV for a collaborative doctoral program in music therapy with the IMC University of Applied Sciences, Krems, Austria and the Norwegian University of Science and Technology Norway and Kaivalyadhama Yoga Institute for Yoga research are noteworthy milestones and bear ample testimony.

Academic Excellence

- The Institute of Health Professions Education brings together all health professionals to achieve academic excellence through training and research in pedagogical sciences, which saw SBV signing a long term partnership with Partners Medical International, USA.
- Every year is a year of challenges, accomplishments as we attain our targets, setting newer goals and constantly striving to renew our commitment for better medical training, scientific research and clinical practice.

FACULTY OF MEDICINE

MAHATMA GANDHI MEDICAL COLLEGE AND RESEARCH INSTITUTE (MGMCRI),

SBV PONDICHERRY CAMPUS

The College endowed with its modern infrastructure, provides a world class ambience for a well paced training programme in post-graduate /undergraduate programmes based on regularly revised curriculum of Sri Balaji Vidyapeeth, Deemed to be University. The Institution prepares young specialists / future clinicians, academicians and scientists who are organizationally effective, obsessively dedicated, dynamically innovative, psychologically emphatic and personally caring with a passion for professional ethics, research, quality treatment and community oriented goals. The PG programme combines hands on training with firm academic knowledge grounding and real world exposure, experience and challenges that they will encounter during their study. The goal of our PG programme is to produce not only competent specialists, but also to empower them with mastery of contemporary advances in their specialties with a spirit of scientific inquiry and orientation to research methodology.

SHRI SATHYA SAI MEDICAL COLLEGE AND RESEARCH INSTITUTE (SSSMCRI),

SBV CHENNAI CAMPUS

Shri Sathya Sai Medical College and Research Institute is a classical example of Provision of Urban Amenities in Rural Areas (PURA), a concept first expounded by our former President Dr. A.P.J. Abdul Kalam. SSSMCRI is a large tertiary care teaching hospital with a attached medical college situated in a rural area, but not far from Chennai and its International airport. SSSMCRI has been recognised for its potential and excellence in education amidst sylvan environs. The college admits 250 students to the UG MBBS programme every year. Students are imparted solid foundation in their pre and para clinical years and the knowledge is built up on with important skills and attitudes in the clinical years of the study, making for well rounded physicians. Postgraduate programmes are offered in SSSMCRI in all broad specialities both in MD / MS streams.

B.Sc. (Hons. /Research) Critical Care Technology	03 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023.
B.Sc. (Hons. /Research) Respiratory Therapy	03 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023.
B.Sc. (Hons. /Research) Emergency Medical Technology	03 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023.
B.Sc. (Hons. /Research) Trauma Care Technology	03 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023.
B.Sc. (Hons. /Research) Diabetic Care Technology	03 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023.
B.Sc (Hons. /Research) Perfusion Technology	05 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023.

POST GRADUATE PROGRAMMES

Programmes	Seats	Duration	Admission Age	Minimum Qualification for Admission
Postgraduate Certificate in Health Sciences Library Information Technology (2 courses of 6 months duration each)	12 Seats	(CBCS Pattern) 6 months	No upper age Limit	An Undergraduate degree in Science/Life Science/B.L.I.S (Preferably with Science or Life Science) background from a recognized college/university. Graduate in Allied Health Science recognized by the UGC with two years academic work experience are also eligible.
Postgraduate Diploma in Good Clinical Laboratory Practices	07 Seats	(CBCS Pattern) 1 Year	No upper age Limit	B.Sc.(MLT), PG DMLT, MD Biochemistry, Pathology, Microbiology, M.Sc. Medical Microbiology, Biochemistry degree from a recognized University with Minimum 50% marks
Postgraduate Diploma in Pharmacogenomics	05 Seats	(Full Time) (CBCS Pattern) 1 year	No upper age Limit	MBBS, BDS, B. Pharm, B.Tech. (Biotechnology), Postgraduate degree in Biomedical Sciences/ Biotechnology or any other equivalent degree.
M.Sc. Medical Laboratory Technology in Clinical Chemistry	07 Seats	(CBCS Pattern) 2 Year	Upper age limit 40 Years	B.Sc. – MLT degree B.Sc. (Biochemistry) B.Sc. (Microbiology) from a recognized University at least with 55% Marks

POST GRADUATE PROGRAMMES

Programmes	Seats	Duration	Admission Age	Minimum Qualification for Admission
M.Sc. Clinical Nutrition	07 Seats	(CBCS Pattern) 2 Years	Upper age limit 40 Years	Should have passed Degree in any one of the following courses from a recognized institute with minimum of 55% mark in B.Sc., Food Science and Nutrition / B.Sc. Clinical Nutrition / B.Sc., Home Science(with majors in Nutrition and Dietetics) or in B.Sc., Nursing or MBBS
M.Sc. Medical Laboratory Technology in Pathology	05 Seats	(CBCS Pattern) 2 Year	Upper age limit 40 Years	Should have passed Degree from a recognized institute with minimum of 55% mark in B.Sc. Medical Lab Technology
M.Sc. Echocardiography	03 Seats	(CBCS Pattern) 2 year	Upper age limit 40 Years	Should have passed Degree from a recognized institute with minimum of 55% mark in B.Sc. Cardiac Care Technology
M.Sc. Cardiac Catheterization and Intervention	03 Seats	(CBCS Pattern) 2 years	Upper age limit 40 Years	Should have passed Degree from a recognized institute with minimum of 55% mark in B.Sc. Cardiac Care Technology / Perfusion Technology
M.Sc. Medical Imaging Technology	03 Seats	(CBCS Pattern) 2 Years	Upper age limit 40 Years	Should have passed Degree from a recognized institute with minimum of 55% mark: in B.Sc. Radiology & Imaging Technology / B.Sc. in Medical Imaging Technology

SCHOOL OF ALLIED HEALTH SCIENCES, SSSMCRI

SBV CHENNAI CAMPUS UNDER GRADUATE PROGRAMMES B.Sc (Hons. /Research) Degree

Programmes	Seats	Duration	Admission Age	Minimum Qualification for Admission
B.Sc. (Hons. /Research) Medical Laboratory Technology	10 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023.
B.Sc. (Hons. /Research) Optometry	05 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023. Mathematics is desirable.
B.Sc. (Hons. /Research) Anaesthesia Technology	10 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023.
B.Sc. (Hons. /Research) Operation Theatre Technology	10 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023.
B.Sc. (Hons. /Research) Physician Assistant	20 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023.
B.Sc. (Hons. /Research) Clinical Research	02 Seats	Choice Based Semester System 4 years	Candidate should be completing 17 years as on 31st December 2023. Upper age limit is 35 years	Pass in Higher Secondary with a minimum of 50 percent in English, Physics, Chemistry and Biology and a valid ranking in SBV CET 2023. Mathematics is desirable.

M.Sc. Medical Imaging Technology	03 Seats	(CBCS Pattern) 2 Years	Upper age limit 40 Years	Should have passed Degree from a recognized institute with minimum of 55% mark: in B.Sc. Radiology & Imaging Technology / B.Sc. in Medical Imaging Technology

FACULTY OF BIOMEDICAL SCIENCES

SCHOOL OF BIOMEDICAL SCIENCES

SBV PONDICHERRY CAMPUS

Biomedical Sciences (BMS) is a prospective branch of medical science that combines the knowledge of basic sciences with the scientific basis of health and disease in humans and animals. BMS is an ideal study program developed especially for all students interested in areas of medical and basic sciences such as human anatomy, human physiology, medical microbiology, molecular biology, immunology, genetics, bioinformatics, biotechnology and nanoscience. BMS graduates around the world significantly contribute to the development of new health and disease diagnostics tools; discover and understand the mechanism(s) of action of drugs; developing new treatment modalities such as immunotherapy and gene therapy; and refining health care using modern methods of artificial intelligence and computer designing; and in developing new medical devices with innovations in biomaterials and nanoscience. The objective of the School of Biomedical Sciences is to develop highly trained and skilled biomedical professionals who have diverse flexible career opportunities so that they can make valuable contribution to the continuing growth in medical industry.

PROGRAMMES OFFERED IN SCHOOL OF BIOMEDICAL SCIENCES

SBV Pondicherry Campus

Programmes	Seats	Duration	Admission Age	Minimum Qualification for Admission
B.Sc. in Biomedical Sciences	30 Seats	(Full Time) (CBSS Pattern) 3 Years	Candidates should be completing 17 years as on 31st December 2023. Upper age limit is 35 years.	Pass in Higher Secondary with a minimum of 50% aggregate in Physics, Chemistry, Biology (Bot.Zoo) Mathematics, Computer Science is desirable.
B.Sc.(Hons.) in Biomedical Sciences*	30 Seats	(Full Time) (CBSS Pattern) 4 Years	Candidates should be completing 17 years as on 31st December 2023. Upper age limit is 35 years.	Pass in Higher Secondary with a minimum of 50% aggregate in Physics, Chemistry, Biology (Bot.Zoo) Mathematics, Computer Science is desirable.
M.Sc. in Biomedical Sciences	10 Seats	(Full Time) (CBSS Pattern) 2 Years	Candidates should be completing 21 years as on 31st December 2023.	50% aggregate in UG Medicine, AYUSH, Dentistry, Life Sciences, Veterinary Sciences and Allied Health Sciences, Engineering, Technology, Statistics, Nutrition & related courses.
M.Sc., Ph.D. in Biomedical Sciences*	05 Seats	(Full Time) (CBSS Pattern) 5 Years	Candidates should be completing 21 years as on 31st December 2023.	50% aggregate in UG Medicine, AYUSH, Dentistry, Life Sciences, Veterinary Sciences and Allied Health Sciences, Engineering, Technology, Statistics, Nutrition & related courses.

^{*} with specialization in any one subject (Biotechnology / Nanosciences / Biochemistry / Microbiology / Bioinformatics)

INSTITUTE OF SALUTOGENESIS AND COMPLEMENTARY MEDICINE (ISCM)

SBV PONDICHERRY CAMPUS

SCHOOL OF YOGA THERAPY | SCHOOL OF MUSIC THERAPY

Based on the contributions of Centre for Music Therapy Education and Research (CMTER) and Centre for Yoga Therapy Education and Research (CYTER) in realms of academics, research and patient care the administration has strongly recommended that the Scope of these with reference to integrating Yoga and Music into modern medicine. This acquires special significance that has led to the establishment of a unique Institute of Salutogenesis and Complementary Medicine encompassing CMTER and CYTER which have now been upgraded to School of Music Therapy and School of Yoga Therapy.

PROGRAMMES OFFERED AT ISCM

SCHOOL OF MUSIC THERAPY

SBV Pondicherry Campus

Programmes	Seats	Duration	Admission Age	Minimum Qualification for Admission
Postgraduate Diploma in Music Therapy	10 Seats Additional 2 seats under SCQ	CBCS Pattern 1 year	No upper age limit.	Health care and Allied Health Care professionals having a recognized degree and desirable skills in music(both with formal training/informal training) open to doctor, psychologists, nurse, physiotherapists, occupational therapists, speech therapists and yoga practitioners.
M.Sc. Medical Music Therapy	10 Seats Additional 2 seats under SCQ	Full Time CBCS Pattern 2 years	Upper age limit is 40 years	Bachelor's degree in Health/ Allied/ Basic Sciences possessing skills in Music. Lateral entry will be offered to 2nd year for those having completed PGDMT from Sri Balaji Vidyapeeth or other institutes if syllabus has more than 80% equivalence as determined by duly constituted committee for the same.

PROGRAMMES OFFERED AT ISCM

SCHOOL OF YOGA THERAPY

SBV PONDICHERRY CAMPUS

Programmes	Seats	Duration	Admission Age	Minimum Qualification for Admission
Postgraduate Certificate in Yoga Therapy (4 courses of 3 months each duration)	15 Seats Additional 3 seats under SCQ	CBCS Pattern 3 months	No upper age limit.	Medical Professionals (Medical and AYUSH), Dental Professionals, Nursing Professionals, Professionals in Occupational therapy and Physiotherapy, Postgraduate Diploma in Yoga, M.Sc. Yoga.
Postgraduate Diploma in Yoga Therapy	10 Seats Additional 2 seats under SCQ	CBCS Pattern 1 years	No upper age Limit	Medical Professionals (Medical and AYUSH), Dental Professionals, Nursing Professionals, Professionals in Occupational therapy and Physiotherapy, Postgraduate Diploma in Yoga, M.Sc. Yoga.
M.Sc Yoga Therapy (MSc YT)	04 Seats Additional 1 seats under SCQ	CBCS Pattern 2 years	Upper age limit 40 Years	Modern medical and AYUSH doctors, dental surgeons, nursing professionals, bachelor in physiotherapy, occupational therapy, PGDY, MSc Yoga or equivalent certification in Yoga from institutions of repute with any bachelor degree. Lateral entry will be offered to 2nd year for those having completed PGDYT from Sri Balaji Vidyapeeth or other institutes if syllabus has more than 80% equivalence as determined by duly constituted committee for the same.

INSTITUTE OF HEALTH PROFESSIONS EDUCATION (IHPE)

SBV PONDICHERRY CAMPUS

Institute of Health Professions' Education represents a crucial approach for preparing the stakeholders to confidently enter into the health care workforce wherein team work and collaborative efforts are considered important. The Institute of Health Professions' Education will be one among the very few institutes in the Country. The present Centre for Health Professions Education (CHPE), has been upgraded to The Institute of Health Professions Education, besides enveloping all activities in the fields of Education Technology and Faculty development. The activity of the Institute will include Teaching Learning technology, Faculty Development programmes, Communication skills, Professionalism, Ethics, Disaster Management, Conflict Management, Time Management, Leadership skills and Team work. The activities at the Institute of Health Professions Education would be across disciplines and include Medicine, Dentistry, Nursing Sciences, Pharmacy, Physiotherapy, Allied Health Sciences and Biological Sciences.

PROGRAMMES OFFERED AT INSTITUTE OF HEALTH PROFESSIONS EDUCATION SBV Pondicherry Campus

Programmes	Seats	Duration	Admission Age	Minimum Qualification for Admission
Masters in Health Professions Education (MHPE) * Has an exit option at the end of 1 year leading to PG Diploma in Health Professions Education	20 seats	CBCS Pattern 2 years	No upper age limit.	A recognized post Graduate degree in Health Sciences, that includes Medicine, Dentistry, Nursing Sciences, Pharmacy, Physiotherapy, AYUSH (Ayurveda, Unani, Siddha, Homeopathy) and any other Allied Health Sciences

DOCTOR OF PHILOSOPHY PROGRAMMES

PhD Programmes	Part Time (Internal)	Part Time (External)	Full Time	Minimum Qualification for Admission

2. RULES AND REGULATIONS

- Ragging in any form inside or outside SBV campus is a criminal offence and punishable as per law.
 Parents and the students are required to sign an undertaking to this effect. The University reserves the
 right to expel the students proved to be involved in ragging apart from filing criminal case against the
 involved students or any other perpetrator. The UGC Toll Free Anti-ragging helpline number is:
 1800 180 5522.
- The students are advised to maintain discipline and decorum inside the Hostel and also inside and outside the premises of the College and the University. It is made clear that the University or the College will not be held responsible for any mis-happenings on account of any act committed by the student which is contrary to the Regulations of the University whether inside or Outside the University premises.
- All students admitted in the hostels are expected to abide by the Rules & Regulations laid down for the
 hostel inmates. Any violation will be subject to reprehension. The Management will not be responsible
 for any mis-happenings or untoward incidents which occur on account of the violation of the Rules and
 Regulations by the students whether inside or outside the premises.
- The usage of Tobacco in any form / Alcohol / Drugs in any form / intoxicating substances in any form is strictly prohibited and punishable as per regulations.
- The students are strictly advised to adhere to the dress code provided for each of the constituent teaching units of SBV.
- Students expelled on grounds of indiscipline will not be entitled for any refund of any fees or deposit.
- The student will have to pay the annual tuition fees every year before 30th of April pertaining to the concerned academic year. A grace period of 30 days will be given to enable for payment of tuition fee with penalty i.e., till 31st May of the concerned year. Such of those students who have not paid the tuition fees as on 31st May will not be allowed to attend the classes from 1st of June.
- Students joining the institution by accepting the tuition fee as prescribed by the institution should note that the fees for all three years will be the same for the entire course. In other words the same fee paid for the first year will have to be paid for second and subsequent years also. Students joining under NRI Quota will have to pay fee only in USD for all three years.
- The Fees paid for lapsed NRI Quota seats will be paid in Indian Rupees equivalent to the NRI Quota USD fees as per the order of the Fee Committee.
- The Annual tuition fees to be paid each year by the student of the respective courses will be for the period mentioned hereunder:-
 - Medical Post Graduate 3 Years
 - ▶ Medical Under Graduate 5 Years
 - ▶ Dental Post Graduate 3 Years
 - ▶ Dental Under Graduate 4 Years
 - Nursing Post Graduate 2 Years
 - Nursing Under Graduate 4 Years
 - Pharmacy Under Graduate 4 Years
 - Physiotherapy Under Graduate 4 Years
 - Other Allied Health Sciences courses 4 Years

- The fees paid for subsequent years should be paid on or before the stipulated date.
- In case the student does not pay the tuition fees as per the Regulations, the student will not be permitted to attend classes or to sit for the examination and if there is shortfall in attendance resultant thereto, the student will have to fulfill the required attendance and thereafter in the next batch after payment of fees the student will become eligible for appearing in the examination.
- The Postgraduate and Super Specialty Students of constituent medical colleges of SBV will be expected to serve one year as Senior Resident in the respective department of the institute after completion of the course. They will be paid salary as per university norms during the period of Senior Residency.
- Post Graduate students who do not pay the prescribed notified tuition fees will not be eligible to claim stipend during their posting as Residents. The Stipend will not be paid to the students of Non-Clinical subjects such as Anatomy, Biochemistry, Physiology, Pathology, Microbiology, Forensic Medicine, Pharmacology and Community Medicine.
- The postgraduate students of the constituent colleges and the Super Specialty students will be required to publish their dissertations within one year or else, SBV will reserve the right to publish them.
- All students are advised to refer the prospectus of the University and familiarize themselves with the details pertaining to their admission, fees and study. They are also required to check the SBV website (www.sbvu.ac.in).
- All the Post graduate students / Residents who are pursuing clinical courses need to stay compulsorily in the hostel premises as per NMC norms. No student will be allowed / permitted to stay outside the hostel premises under any circumstances.
- All students are required to collect the Handbook for medical students for the policy guidelines and also the disciplinary Committee Manual on payment of the fixed charges.
- All students shall submit their original academic and personal certificates, like mark sheets, school leaving certificates and other such documents at the time of submitting Admission Form along with self-attested copies for verification. The originals will be returned to the students after verification.
- In case of any suspicion over the authenticity or genuineness of a certificate, reference shall be made to the University or the Board which issued the certificates to the students and admission will be subjected to the authentication.
- Students admitted in any of the programmes shall complete the programmes within the stipulated course period has notified by the respective Statutory Body/SBV Regulations.

Hostel Accommodation

Separate hostels are available for male and female postgraduates and are comfortably furnished. All Postgraduate students will have to compulsorily reside in the Campus as per statutory rules.

The rooms are fully furnished, with air-conditioning, hot water geysers, student Wi-Fi and other amenities. The hostels feature common areas with reading halls, gym, theatre, playgrounds for football, hockey, cricket, volleyball, basketball & lawn tennis, etc.

Stipend

The Medical Postgraduate courses are conducted in accordance with the Regulations of the National Medical Commission. Selected candidates will be paid a consolidated stipend as per Regulations.

Non-stipendiary courses 1. Anatomy 2. Biochemistry 3. Physiology 4. Microbiology 5. Pharmacology 6. Pathology 7. Community Medicine

Note: Stipend will be paid only upon receiving the Annual Tuition Fees, Hostel Fee & Other Fees in toto for the concerned academic year.

Examination

The student will be issued hall tickets for the University Examinations and allowed to sit for the examination only after the full fees is paid.

For the students not admitted through NEET

- If a student chooses to withdraw from the program of study in which he/she is enrolled, the institution concerned shall follow the procedure provided by the University Grants Commission (UGC) for refund of fees remitted by the student. The students are advised to go through the relevant UGC Regulations.
- Processing fee of Rs.15,000/- (Rupees Fifteen Thousand only) will be charged as processing charges from the student in such situations as per Regulations.
- In case the student leaves the course anytime beyond 30 days from the notified last date of admission and if the seat is vacant for this reason, the student will also be liable to settle the tuition fees for the entire remaining course period.

For the students admitted through NEET

- For the programmes where admissions are made through NEET and are governed by Medical Counseling Committee Regulations, the students are not allowed to withdraw after the Second round of counseling conducted by Directorate General of Health Services (DGHS), Government of India. If they do so, they will not be eligible for refund of the Tuition fees paid and the student will be liable to pay the annual tuition fees for the remaining period of the entire course before relief in the event of the seat remain vacant. Processing fee of Rs. 50,000/- or whatever is applicable for that year will be charged as the processing charges from PG student and Rs. 25,000/- for UG Students in such situations as per Regulations.
- All the students and their parents will be required to sign individual undertakings pertaining to fees, other fees, hostel and acceptance of Regulations of SBV. All should strictly abide by the undertakings signed. It is to be noted that the undertakings signed cannot be challenged.
- The students who do not clear their pending tuition / other / hostel fees are not liable to receive their degree certificates until the dues are cleared.
- All disputes are subject to the respective regional jurisdiction of the concerned constituentonly.
